

Solavei™ provides Unlimited Voice, Text and Data on a 4G nationwide network for only \$49 per month (plus taxes and surcharges)- with no contracts! See the sections that follow for details.

Unlimited Voice, Text and Data

- **Unlimited Voice** includes unlimited incoming calls along with unlimited outgoing calls to any domestic U.S. phone number when inside the U.S. (including Alaska, Hawaii, Puerto Rico, and the U.S. Virgin Islands).
- **Unlimited Text** includes unlimited incoming text messages along with unlimited outgoing text messages **to any domestic or international mobile number when inside the U.S.** Unlimited texting also includes picture and video messages anywhere in the U.S. (including Alaska, Hawaii, Puerto Rico, and the U.S. Virgin Islands).
- **Unlimited Data** within the U.S. (includes Alaska, Hawaii, Puerto Rico, and the US Virgin Islands) keeps you free from data overages. **No additional charges regardless of the amount of data used.** Data speeds will reduce when the amount of data used exceeds 4GB in a billing cycle or when roaming domestically off of the Solavei network. Speeds reduce to a 2G data experience in these situations.

Included Services

- **411** is a free service that provides directory assistance for phone numbers and addresses.
- **3-Way Conference Calling** supports conference calling with 2 additional lines for a 3-way discussion.
- **Caller ID** displays the phone number calling. When the phone number is pre-programmed into the phone's contact list, the phone will display the pre-programmed name.
- **Call Forwarding** enables you to use Visual Voicemail applications and to forward your calls to other domestic numbers. This can be applied from the settings in your phone.
- **Call Waiting** alerts you of an incoming call while you're on an active call. Call waiting lets you place the current call on hold and answer the new incoming call.
- **Voicemail** provides standard voicemail services, enabling callers to leave voicemail for members to retrieve.

International Long Distance- Solavei Add-On Service

- **International Long Distance** is available a pay-as-you-go add-on service. The plan enables calling to landline and mobile numbers in more than 200 countries at rates both competitive with other international long distance card providers, and cheaper than other mobile carriers in the U.S. To add International Long Distance, see calling rates by Country and more, access **Account** in **MySolavei** and select International.

3rd Party Services

- Android Google PlayStore has an extensive selection of 3rd party applications to enhance your mobile experience.
- Common applications downloaded by our members include:
- **Visual Voicemail:** "Visual Voicemail Plus" and "YouMail" visual voicemail applications give you two solid options for visual voicemail. The visual voicemail application that comes with iPhones and carrier specific visual voicemail applications on Android phones are not supported.
- **Wi-Fi Calling Alternatives:** These applications allow you to communicate with friends and family using Voice Over Internet Protocol (VoIP) a technology that allows phone calls to be made over the Internet.
 - **Google Voice** app supports free unlimited WiFi calling over a data connection.
 - **Skype**, one of Androids most downloaded applications, offers free Video Chat on WiFi to other Skype users. Voice calls to mobile and landline numbers, text messaging and even Voicemail when on WiFi are available for a low cost.
 - **Tango** offers free Video, Voice, Text and Picture Messaging on WiFi with other Tango users.
 - **Note:** Always read the application reviews and requirements prior to downloading a 3rd party applicable. In some cases the application may require additional steps to install and begin use.
- **International Roaming** is not available with a Solavei SIM Card, however with your Solavei unlocked GSM phone, you can use your phone outside the U.S. Just insert an international prepaid SIM card local to the country you're visiting and you're set. Pay for only what you need and never worry about surprise roaming costs.
